

Naiden Radnev

Front End Developer

0889879393 naiden_radnev@yahoo.com <https://naiiden.github.io/portfolio/> <https://github.com/naiiiden> Troyan, Bulgaria

SUMMARY

With 2 years of hands-on experience as a front-end developer, I bring a passion for creating visually appealing, user-friendly websites and applications to every project. I have honed my expertise in crafting responsive and accessible web solutions that enhance user experiences, always with a keen eye for the smallest details. My ability to adapt quickly to evolving technologies and collaborate effectively with cross-functional teams enables me to consistently deliver high-quality results. I am eager to contribute my creativity and technical prowess to deliver seamless online interactions.
